Within my heart and my soul, I wait for you Adagio

All of these nights without you, All of my dreams surround you

I've walked so far, I've fought so hard

Am E7

Nothing more to explain, I know all that remains

Am

Is a piano that plays

If you know where to find me, If you know how to reach me

Before this light fades away, Before I run out of faith

Be the only man to say, That you'll hear my heart

That you'll give your life, Forever you'll stay

Don't let this light fade away, Don't let me run out of faith

Be the only man to say, That you believe, make me believe

You won't let go,

Adagio
