## (Intro)

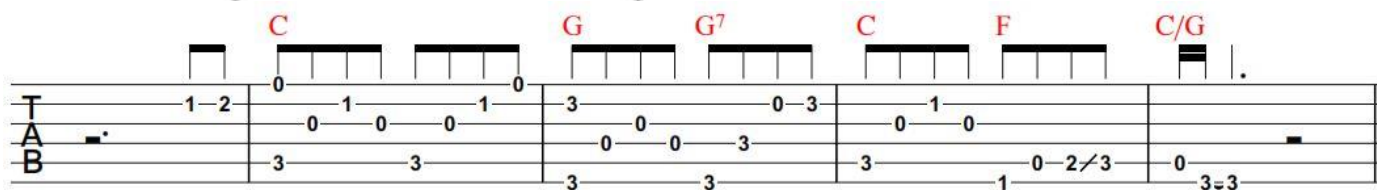

**C** **F** **C**  
Well, today I'm so weary. Today I'm so blue.  
**F** **C** **G7**  
Sad and broken hearted And it's all because of you.  
**C** **F** **C**  
Life was so sweet dear Life was a song.  
**F** **C** **G7** **C**  
Now you've gone and left me Oh, where do I belong?

## (chorus)

**C7** **F** **C**  
And it's all for the love of a dear little girl.  
**G7**  
All for the love that sets your heart in a whirl.  
**C** **C7** **F** **C**  
I'm a man who'd give his life And the joys of this world  
**G7** **C**  
All for the love of a girl.
