Lyrics:

I nev-er knew love could be_ a si-lence in_the heart A mo-ment when the time is still
And all I've been look-ing for_is right here in my arms Just wait-ing for the chance to be - gin_
I nev-er knew love could be_ the sun-light in your eyes On a day that you may not have seen
And all I've been search ing for_well words could nev-er say_ When a touch more than an - y_____ thing_
May-be you will nev-er know how much I love you_ But of this_ be sure_
Here is your par-a-dise_ here is your book of life_Where you and I will be - for-ev-er-more
I will be_ for - ev - ver more_
And in the dark night you'll fol low the_bright night And go where the love must go_ And you_will_
wake in the morn-ing to a brand-new day_ Take all_your wor-ries- a way_
I will be- for-ev-er more_
